## **Honoring our Tradition Investing in our Future**

A Stewardship Campaign for Hayden Catholic High School

Recently, we shared the positive results of our planning study and that we are in the early planning stages of a stewardship campaign to address infrastructure repairs and upgrades, provide for educational enhancements and to help solidify funding for tuition assistance.

Today, we are pleased to announce the theme of our campaign will be ***Honoring our Tradition – Investing in our Future*** A Stewardship Campaign for Hayden Catholic High School.

***Honoring our Tradition – Investing in our Future*** is a fitting theme for the Hayden Catholic High School community and this campaign. We want to honor Hayden's long tradition of excellence - excellence in faith, academics, community, and service – while we ensure Hayden continues to thrive for future generations.

In the coming weeks, you will learn much more about the campaign and the different ways you can be involved and support our efforts. In the meantime, please pray for our school leadership and campaign volunteers who will be working diligently to ensure a successful outcome.

### **Campaign Prayer**

Heavenly Father, we thank you for your many gifts, especially for our school and our families. Guide us with your Holy Spirit as we work as one faith community on the ***Honoring our Tradition – Investing in our Future*** stewardship campaign. As we treasure our history, may we also come together to fulfill your plan for our future. May this campaign strengthen us in our mission to make disciples of your Son and may all of our efforts emulate the glory of your love. We pray in Jesus' name, Amen.
