

June 9, 2022

Hayden Community -

Starting today, road work will begin in front of the Hayden campus. Work will be south of 6th Street on Gage Blvd. and then north to Emland Dr. Traffic will be open at all times, but there won't be any left turns allowed for northbound traffic. That means anyone wanting to enter Hayden will need to come from the north from I70. The city will also be reconstructing the drive entrances to Hayden. Please be patient and use caution during this construction. Parents, please speak with your students and stress the importance of following the traffic flow and entry onto the Hayden campus.

Student Life is currently working on the implementation of a new school system. This system will save Hayden dollars as well as streamline some of our current processes. The new school system will be part of the FACTS umbrella. We currently use FACTS for our Tuition Assistance and Billing system. We will share updates as we implement the new system.

As a reminder, we want to share our Summer Office hours. Please know, we are happy to make an appointment but our normal office hours will be as follows:

- May 31 - June 30 - 9am - 1pm - Monday - Thursday
- July - By appointment
- We will resume regular office hours on August 1, 2022 7:30am - 3:30pm

Annual Appeal

The end of the fiscal year is quickly approaching (June 30). Funds raised during the Hayden Annual Appeal help close the gap between tuition and the actual cost of educating a student. Every gift to the Hayden Annual Appeal is essential in helping us offset the funds needed to supplement the amount needed for tuition assistance. Please help Hayden by making a donation [HERE](#). There is no amount that is too small.

Blue & Gold Golf Tournament

Don't forget to sign up for the [Blue & Gold Golf Tournament Registration](#) or consider being a [Hayden Sponsor](#).

Hayden Highlights 6/9/2022

Blessings,

Mrs. Shelly Buhler and Mr. James Sandstrom
