Hayden Community -

Realizing most of you are in summer mode, we hope you are having a great start to summer break! We are definitely busy here at Hayden preparing for the 2022-2023 school year. Here are a few quick updates!

Honoring our Tradition - Investing in our Future Stewardship Campaign

Infrastructure Repairs and Upgrades Project List

Hayden leadership, along with the building and facilities committee (which is composed of representatives from the community, staff, and the Board of Trustees) have been actively working on the infrastructure repairs and upgrades project list.

Contracts/Projects approved or in progress and anticipated to be completed late summer or early fall 2022.

- Replacement of the roof on the Ken Bueltel Activities Center/Gymnasium
- Replacement of the stadium lights.
- Replacement of the HVAC master controls
- Replacement of the bridge to soccer/baseball/softball fields

Project in research phase:

- Resurface parking lot and repair sidewalks between main building and stadium.

As a reminder projects will be completed as campaign funds are received, and based on urgency, not necessarily in the order listed on the original project list.

Projects of this magnitude require significant research and we want to ensure we are being good stewards of the dollars from our stewardship campaign.

Educational Enhancements

Hayden leadership and the academic team are also researching computers to be purchased before the beginning of the 2022-2023 school year.

Currently we are developing a section on our campaign website where you will be able to review the progress. When it is ready, we will let you know so you can visit that site at your convenience. We will also be sending updates via our quarterly newsletter. This week we sent out a mailing asking those who haven't contributed yet to join us in reaching our Visionary Goal of \$2.5 million. *We are just \$327,338 away from \$2.4 million. Once we reach that goal the last \$100,000 will be donated from a private foundation for tuition assistance!*

If you have not yet had the opportunity to join our Stewardship Campaign, we invite you to consider a gift. Click [HERE](#) to be a part of the campaign.

Annual Appeal

June 30 is the end of our fiscal year. Our goal for the Annual Appeal this year is \$300,000 and we are currently at \$114,000. We are so very grateful for those that have given to our Annual Appeal but we could still use some help in reaching our goal! Funds raised during the Hayden Annual Appeal help close the gap between tuition and the actual cost of educating a student. Every gift to the Hayden Annual Appeal is essential in helping us offset the funds needed to supplement the amount needed for tuition assistance. Please help Hayden by making a donation [HERE](#). There is no amount that is too small.
